## STUDENT LOAN

## RELAX THIS SUMMER SKIP-A-PAYMENT

Any eligible loan (other than HOME Equity Loans) can be skipped providing they are up to date. This is how it works, if your eligible loan is up to date the CU will skip your loan payments for the months of July and August setting the next payment due date for the September 30, 2021. **PLEASE NOTE** payments on loans even if they are skipped can always be made. Call the office for more details 518.561.4510!

Just remember when you skip a payment, you are adding that payment to the end of the loan, which may result in your extending the loan term. Also note that interest will still accrue.

Make your dreams come true with a  
**VACATION LOAN**

Desperately seeking a vacation trip after so much time sheltering-in-place? A Vacation Loan from the credit union could be just the ticket. A Vacation Loan can actually save you money because instead of racking up bills on a high-interest rate credit card, you can establish a

**up to \$5,000 24mo @ 4%** budget and apply for a loan for that amount. Consider costs for transportation, lodging, meals, and attractions. Will you need to kennel your dog or hire someone to take care of your garden while you are away? Factor any of those expenses into your spending plan. The key is to be realistic in your estimated costs, including an amount for a potential unexpected expense. Then you can make your plans accordingly. Take advantage of our low interest rates to get the rest and relaxation that you've been yearning for and the time off that you deserve. Contact the credit union for your Vacation Loan Application.
