

Plattsburgh City School District Federal Credit Union

Monday December 9 through Friday, December 20, 2024

Matching Holiday Fund Drive

The holiday season is here, somehow much faster than we anticipated. In the spirit of holiday giving, please join us with your monetary donations to help feed our Plattsburgh community. The credit union will match every donation dollar as many of our school community children might be experiencing food shortage especially at this time of year.

A recent letter we received from the Food Shelf stated "this year alone the Food Shelf has served 12,449 people from 4,338 households—an 8% increase from 2023...every month the Plattsburgh Interfaith Food Shelf purchases 22,000-24,000 pounds of food through the Regional Food Bank at a substantially lower cost than retail. These monetary donations allow the Food Shelf to use the charitable dollars most efficiently."

To make your donations you can either drop by the CU office at the Duken Building, use our drive-up window, or see the following people at each of the buildings who have graciously offered to assist us in this fund drive:

Duken: Lynn Wang

Glasgow: Kaitlyn Goodenough

Momot : Jessica Clark

Oak Street: Cristina Sferlazza

Stafford: Jessica Shields

PHS: Seth McCray

Please help us assist the food shelf in their continuing endeavors to support our local families. Our group effort will make a difference.

checks can be made out to the Plattsburgh Interfaith Food Shelf
